TELEPHONE CALL TO COMMANDER HOWE

Sec. thought at first it was Gen. Scowcroft. Sec. asked if we got off the cable about ICCS to Le Duc Tho. Howe said it had not left. Sec. said this is the fourth week of crapping ~~around~~ around ~~x~~ with that. Howe said it is with the Secretary's things. Sec. said it must be brought to his attention - we cannot keep playing around and letting the ICCS compromise. Howe understood.
