April 19, 1971

MEMORANDUM FOR: MR. H. R. HALDEMAN
FROM: ALEXANDER P. BUTTERFIELD
SUBJECT: Color Photographs Taken at San Clemente

I am probably well behind you on this one ... but if a certain few of the terrific color photographs of the President and Mrs. Nixon, taken recently at San Clemente and now on display downstairs, could be printed in a spread in Life or Look, or some other popular pictorial magazine at the appropriate time, we would surely generate at least a couple of million votes in our favor come the '72 national elections.
