April 5, 1971

MEMORANDUM FOR: HARRY DENT
FROM: CHARLES W. COLSON

In response to your memo of March 31, I know Henry Schine.

I can't conceive of him as a candidate for Congress. Maybe you know things about him I don't, but I think McCloskey would make mincemeat out of him. It seems to me we should do better, especially if we're going to put some real resources behind it.
