MEMORANDUM FOR THE 10:00 FILE

I continue to get reports from Baroody and Marsh that Wallace is very unhappy and feels that we are not paying him adequate attention, that we have not recognized fully what he has done for us, that we have not hired the staff people he wanted hired, that we have not paid obeisance to his platform positions.

Marsh also tells me that the McGovern forces are trying to win Wallace over, they want his endorsement; Kennedy's visit was a deliberate effort to get it. Kennedy is telling Wallace that if he becomes a regular Democrat and supports McGovern now, that it will enhance his chances for '76 for one of the two spots on the ticket or for a major Cabinet position. Wallace has no future with the Republicans, so argue the McGovernites; therefore, he should now join forces and campaign for McGovern in Michigan and the South. Interesting but not as far fetched as it sounds!

MEMORANDUM FOR: MICKEY GARDNER

FROM: CHARLES COLSON

I am getting embarrassed about Ithia DeSola Poole. Has Connally been in touch with him? I wish you would urge him to do so because when I talked to him I told him he would be hearing from Connally. It makes us look very silly when he then doesn't hear further.
