Robert Semple - NYT --

Three things: 1. The Field Poll is unreliable, it takes a small sample and it's questioning is not representative of the state.

2. It appears that HHH did extremely well in the debates in affirming people that McGovern's proposals might be extremist and irresponsible.

3. Al Barkan, Dir. of COPE, showed up in Calif. in the last few days and threw a ~~xxx~~ lot of money and manpower into HHH campaign.
