March 9, 1971

Personal and Confidential

Dear Charlie:

I have just read Gallagher's piece which you sent me about the formation of the Conservative Party. If there is anything you can do for the future of the Republican Party in Massachusetts to head this off, you certainly ought to. This is the disastrous kind of thing that can only hurt us in future years.

Looking at the roster of mediocre maniacs involved in it, I really think it can be diverted.

Best personal regards.

Sincerely,

Charles W. Colson
Special Counsel to the President
