MEMORANDUM FOR HARRY DENT

The President has requested a status report by Wednesday of how we are doing on the project of getting major contributors to funnel their funds separately through us, rather than to the normal campaign committees. He mentioned he wants this done particularly with people in the category of Clem Stone, Mulcahy, and Rollins of Delaware.

You'll recall we talked about this project approximately two weeks ago and you indicated at that time you would be working with Peter Flanigan on follow up.
