Committee for the Re-election of the President

MEMORANDUM

August 4, 1972

MEMORANDUM FOR: THE HONORABLE CLARK MACGREGOR
THROUGH: JEB S. MAGRUDER
FROM: GLENN J. SEDAM, JR.
SUBJECT: Update of Governor Wallace's Ballot Position

Attached is a chart indicating the Wallace ballot position as of August 2, 1972.

Changes since our report of July 19 are as follows:

Delaware--The AIP has held its state convention within the deadline set forth in Delaware law. It has yet to certify a candidate for President.

Idaho --We have determined that the Conservative Party may, under state election law, substitute Governor Wallace for its listed candidate, a Mr. Steinbacker.

Illinois--The August 7th deadline for filing petitions for a new party candidacy is approaching. There is some AIP activity to this end in downstate Illinois. The AIP has not formally submitted petitions to elections officials as yet. The state elections office feels that the party will not be able to obtain the number of names necessary (25,000) by the deadline.

Missouri--The July 31, 1972 deadline for obtaining a ballot position has passed. The AIP plans to press its claim for ballot qualification under state statute by bringing a court action. Their argument is that, by obtaining over 2% of the vote in two Congressional districts in the last election, rather than statewide as is required by statute, the AIP should be awarded an automatic ballot position in November.

Rhode Island--The AIP has submitted the requisite 500 signatures for ballot position in November. It now only need certify a candidate.

Officials in both Utah and Alaska have indicated that they will allow the AIP to certify a candidate for President within a reasonable time after that party conducts a national nominating convention. Therefore, the deadlines set forth in previous status reports are not firm.

MEMORANDUM FOR THE HONORABLE CLARK MAC GREGOR

THROUGH: JEB S. MAGRUDER

FROM: GLENN J. SEDAM, JR. 

SUBJECT: UPDATE OF GOVERNOR WALLACE'S FILING DEADLINES

Since my last report four more deadlines have passed in the states of Arizona, Massachusetts, Nevada and New Hampshire. No action has been taken in Massachusetts and Nevada. In Arizona the AIP is now a recognized party and Governor Wallace can run as a candidate of that party by nomination at their convention. The New Hampshire deadline for certification of Governor Wallace as a candidate of the AP has been extended to September 27th.

* States where Wallace can obtain nearly automatic ballot position if nominated by the American Party National Convention in Louisville, Kentucky, August 3-5.

** States where Wallace can obtain ballot position by petition; in seven it would be hard (H); in eleven it would be easy (E).

McG adviser Duffey, on CBS AM News, said McG was aware of others in party needed to be heard... that it wasn't a spirit of "arrogance" in the McG camp over the Platform... and that McG hoped he would be "worthy" of respect from his opponents. Ex-ADA Pres. Duffey said he'd learned "frustration" people have re: the bureaucracy from the Wallace people. Wallace's aide Pelham said he wished McG had made statement (that Duffey made moments earlier re: worthiness of respect) a few weeks ago and followed it to the letter. If they'd done so, the average man would have been represented in the Platform. Pelham said average man has been ignored by Dems' "exotic" stands and that the Platform doesn't apply to millions.

But Pelham is frustrated because he says RN, fat cats, big business and ITT are on the other side. So he'll go back to Ala. and "tend to his business." He'd have "no part" of a 3rd Party. ... Gov. Edwards also said he "wouldn't" support another party's nominee but "wouldn't feel comfortable" with McG. Edwards said Wallace told him he would accept the VP nomination.

An Ala. delegate complained "The convention has been taken over by McG -- what he wants he's going to get. But come Nov., what McG wants McG isn't going to get." ... Wallace aide Snider charged the convention has been "stacked from the start." ... ABC's Bell said Wallace reportedly can't support the current Dem Platform. Clip of Snider saying chances of a 3rd Party were "getting stronger and stronger" followed. Wallace followed saying he hasn't said "at all" that he's going to form a 3rd Party or leave the Dems. Bell said phone calls have come in demanding Wallace make a 3rd party run in view of the Platform rejection. This is support Wallace needs to keep, said Bell, but Wallace won't make a 3rd Party run as he can't raise the funds necessary, but also because he's in a position inside the Dem. Party that he doesn't want to give up.

Wallace's legal adviser DeCarlo said if the Gov. asks his advice on a 3rd party, "I'd tell him to stick in there and give them hell." He said Wallace could easily get on 28 ballots, and with little effort could pick up 7-8 others. ... Snider admitted the Wallace campaign was \$250,000 in debt but said he was confident Wallace backers would cover this and contribute enough to keep a 3rd Party going til Nov. ...

MEMORANDUM FOR: ~~MR. GORDON STRACHAN~~ H.
FROM: GLENN J. SEDAM, JR.
SUBJECT: Removal of Wallace's Name From the Ballot

Attached is a memorandum we have prepared for Bob Teeter to be used for polling purposes. Part of the information contained therein relates to the question you asked concerning removing Wallace from the ballot in the four states where ballot position had been obtained in his name by the American Independent Party or associated political entities.

You will note that Schmitz has replaced Wallace as the American Party candidate in Wisconsin. We have also learned that a similar substitution has been made by the Conservative Party of Kansas and the American Party in Kentucky. Thus Wallace's name is presently on the ballot only in the state of New Jersey.

In order for Schmitz to be substituted for Wallace in New Jersey, state law requires that Wallace decline the American Party nomination in writing by September 28th. Based on what has transpired in Kentucky, Kansas and Wisconsin and in view of the last minute substitution of Schmitz and not Wallace for the Constitutional Party's surrogate candidate in Pennsylvania (see accompanying memorandum), we are of the view that a substitution of Schmitz's name for that of Wallace may very likely also occur in New Jersey.

We will continue to monitor this situation and advise you if and when such substitution does occur.

MEMORANDUM

August 28, 1972

CONFIDENTIAL

MEMORANDUM FOR: MR. ROBERT TEEPER
FROM: GLENN J. SEDAM, JR.
SUBJECT: Presidential Ballot Position in Certain Key States

As of August 28th it appears that ballots in key states will list the following candidates for the offices of President and Vice President:

CALIFORNIA

Nixon/Agnew	Republican Party
McGovern/Shriver	Democratic Party
Schmitz/Anderson	American Independent Party
Spock/Hobson	Peace and Freedom Party

Status -- No further ballot positions available; all candidates certified by parties involved.

Order -- Incumbent listed first; others listed alphabetically by last name of candidate.

CONNECTICUT

Nixon/Agnew	Republican Party
McGovern/Shriver	Democratic Party
	George Wallace Party

Status -- The George Wallace Party, a recognized minor party in Connecticut since it polled over 1% of the vote in the last general election, has until September 20th to file nomination papers listing its candidate.

Independent candidates may still attain ballot position by filing petitions (12,750 names required) by September 5th. Nominating petitions are presently being circulated by the Communist Party and the Socialist Worker's Party.

Order -- Number of votes cast in last gubernatorial election.

ILLINOIS

* Nixon/Agnew	Republican Party
McGovern/Shriver	Democratic Party

Status -- The Socialist Labor, Socialist Workers' and Communist Parties may have obtained sufficient signatures (25,000) as required between July 31st and August 7th to obtain ballot position. These petitions must be filed by September 7th. The American Independent Party apparently has not so acted during the requisite time period and will not be on the ballot unless it is successful in a possible court challenge.

* Order -- At the discretion of local county election officials.

MICHIGAN

Nixon/Agnew	Republican Party
McGovern/Shriver	Democratic Party
_____	American Independent Party

Status -- No additional ballot positions are presently available. The AIP has not yet certified its candidate. It must do so by November 2nd. Wallace probably cannot legally run as the AIP candidate since his name appeared on the Democratic primary ballot.

Order -- Number of votes cast for governor in the last election.

MARYLAND

McGovern/Shriver	Democratic Party
Nixon/Agnew	Republican Party
Schmitz/Anderson	American Independent Party

Status -- Closed on March 6th.

Order -- Vote cast for Governor in last election.

MISSOURI

McGovern/Shriver	Democratic Party
Nixon/Agnew	Republican Party

Status -- Nominating petitions were due by July 31st. The Communist Party and the American Independent Party are both contemplating court actions to obtain ballot position. The Communists claim that the number of signatures required is unduly burdensome. The ATP claims that it should be a recognized party under state law because it polled 2% of the vote in the 1970 election on a state-wide basis. Missouri law requires 2% in each congressional district.

Order -- Number of votes cast for Governor in last election.

NEW JERSEY

* Nixon/Agnew	Republican Party
McGovern/Shriver	Democratic Party
Wallace/Coleman	American Party
Jennes/Pulley	Socialist Workers
Fischer/Gunderson	Socialist Labor
Hall/Tyner	Communist Party
Mahlachik/_____	American First
_____	People's Party

Status -- Party ballot positions are closed. The People's Party has not yet designated candidates. Parties have until October 1st to designate candidates or to change the names on their ticket.

* Order -- Selected by lot in each county.

NEW YORK

Nixon/Agnew	Republican Party
McGovern/Shriver	Democratic Party
<u>1/</u> McGovern/Shriver	Conservative Party
	Liberal Party

Status -- Independent candidates may secure ballot position by filing by August 31st a petition containing the signatures of at least 20,000 qualified voters. We have been informed that the Courage Party has been circulating petitions on behalf of a Wallace candidacy. In 1968 Wallace ran in New York as the candidate of the Courage Party. The use of the word in the name of a political party "American" is prohibited by state law.

Order -- Number of votes cast for governor in the last election.

OHIO

* Nixon/Agnew	Republican Party
McGovern/Shriver	Democratic Party
Jennes/Pulley	Independent Socialist Party
Schmitz/Anderson	American Independent Party

Status -- Closed on August 25th.

* Order - Names are to be rotated as ballots are printed.

OREGON

Nixon/Agnew	Republican Party
McGovern/Shriver	Democratic Party

Status -- Will close on August 29th. State elections office is of the opinion that no additional candidates will file petitions.

Order -- Number of votes cast for governor in the last election.

1/ It will be decided on Wednesday whether President Nixon's name will appear on the Conservative Party line in New York.

PENNSYLVANIA

McGovern/Shriver	Democratic Party
Nixon/Agnew	Republican Party
Schmitz/Anderson	Constitutional Party
Jennes/Pulley	Socialist Workers Party
Hall/Tyner	Communist Party

Status -- Closed on August 24th. The Constitutional Party substituted Schmitz for their original candidate, Frank Gaydosh, just before the deadline.

Order --- Vote cast for Governor in last election.

TEXAS

McGovern/Shriver	Democratic Party
Nixon/Agnew	Republican Party

Status -- The American Party has been circulating petitions although the time period during which such petitions can be circulated has passed. A court suit over this issue is now in progress. If the American Party is successful at bar, it has until September 19th to select a candidate.

Order -- Vote cast for Governor in last election.

WASHINGTON

McGovern/Shriver	Democratic Party
Nixon/Agnew	Republican Party

Status -- Minor parties can attain ballot position by holding a convention on primary day, September 19th, and filing by September 26th a certificate of nomination signed by 100 voters from each of the seven congressional districts in the state who did not vote in the primary.

Order -- Vote case for President in last election.

Mr. Robert Teeter

WISCONSIN

McGovern/Shriver	Democratic Party
Nixon/Agnew	Republican Party
<hr/>	American Party
Reid/Johnson	Socialist Workers
Hall/Tyner	Communist Party
Fischer/Gunderson	Socialist Party

Status -- The American Party must certify a candidate by September 19th. Independent candidates may secure a place on the ballot by filing petitions containing over 3,000 signatures by such date.

Order --- Vote cast for Governor in last election.

Based on information presently available, we anticipate that Congressman Schmitz's name will be substituted for that of Governor Wallace on the New Jersey ballot. In this connection, we note that the AIP has recently certified Schmitz in California, Maryland and Ohio. Furthermore, the Constitutional Party, the pro-Wallace group in Pennsylvania, substituted Schmitz's name, and not that of Wallace, for its surrogate candidate Frank Gaydosh a few hours before the local deadline.

Governor Wallace's name can only appear on the ballot in New York if petitions in behalf of his candidacy containing the requisite number of signatures (20,000) are filed by August 31st and if he thereafter signs and acknowledges a certificate accepting the Presidential nomination of the Courage Party. If Governor Wallace declines to accept such nomination, that party may substitute another candidate in his stead.

MEMORANDUM

October 4, 1972

CONFIDENTIAL

MEMORANDUM FOR THE HONORABLE CLARK MacGREGOR

THROUGH: JEB S. MAGRUDER

FROM: GLENN J. SEDAM, JR.

SUBJECT: November Ballot by State as of October 4, 1972

This memorandum is intended to up-date the analysis of the presidential ballot in each state which we provided on September 12th. All filing dates have past and the ballot is now firm in all but four states -- Arkansas, Florida, Rhode Island and Washington. Court tests or state elections board decisions are still pending in these jurisdictions.

A new summary table indicating the ballot status of Representative Schmitz and Dr. Spock in each state is attached at Tab 'A'.

It presently appears that Schmitz will not be on the ballot in eighteen states and the District of Columbia. His name will definitely not be listed in the District, Georgia, Hawaii, Indiana, Illinois, Maine, Massachusetts, Missouri, Nebraska, Nevada, New York, South Dakota, Texas, Vermont, West Virginia and Wyoming. He still has a remote chance to win ballot position by court challenge in Arkansas and Florida and by elections board appeal in Washington. Although the AIP's prospects are better in the latter jurisdiction, Schmitz's supporters will probably also fail to get their candidate listed in the State of Washington.

Please note that the information previously supplied for Vermont was erroneous. It now appears that Schmitz will not appear on the Vermont ballot.

Governor Wallace has, as we previously had anticipated, been replaced by Congressman Schmitz on the New Jersey ballot. This removes Wallace as a candidate on the presidential ballot in all states. His name will still appear through the party name in Connecticut (The George Wallace Party), and, if the party does manage to attain ballot status,

in Rhode Island (The American Wallace Party). Finally, the Governor's picture will appear on the Michigan ballot as part of the American Independent Party symbol. (Kennedy and Roosevelt appear for the Democrats and Lincoln for the Republicans.)

Dr. Spock will be listed as a presidential candidate in seven states: California, Colorado, Idaho, Kentucky, New Jersey, Vermont and Wisconsin. He has an outside chance of attaining ballot position in Washington.

Attached at Tab 'B' are revised pages intended for insertion in the detailed full candidate ballot listing which we previously provided for each state.

FOOTNOTE KEY

1. Ten delegates at large to be chosen in caucus.
2. Forty-five delegates to be chosen later.
3. Eight additional delegates to be chosen by Primary winners.
4. Preliminary indication of results pending resolution of close races in several districts.
5. State law binds the 40 delegates from Congressional Districts for two ballots and the 9 at-large delegates for one ballot. There is speculation in the Press that McGovern and Humphrey backers in the delegation will not honor that commitment at the Convention.

THE DELEGATE COUNT: ROOM AT THE TOP

A new survey by Newsweek documents the slippage in Sen. Edmund Muskie's standing in the race for the Democratic Presidential nomination. Newsweek's first survey of prospective delegates to the Miami Beach convention, made in January, showed Muskie favored in 29 states with three times as many potential delegates as he needed to be nominated. Now, he has lost out altogether in one of those states—

Georgia—and, as a result of his weak showing in New Hampshire and Florida, faces sharp battles in more than ten others. These include such key large states as California and New Jersey. This new survey shows why the Wisconsin primary is so important. If Sen. Hubert Humphrey runs well, he could inherit much of Muskie's early backing. But a strong Muskie showing would put him back on the track.

MEMORANDUM FOR: GORDON STRACHAN
FROM: ROBERT H. MARIK 
SUBJECT: Democratic Delegate Strength

Since the memo of April 27, concerning Democratic delegate strength, there have been delegations added from the following states:

1. South Carolina (Caucus)
2. Mississippi (Caucus)
3. Alabama (Primary)
4. District of Columbia (Primary)
5. Indiana (Primary)
6. Ohio (Primary)
7. Tennessee (Primary)

The results of the Ohio Primary are very close in several Congressional Districts and will probably be challenged in some cases. The tentative results shown in this report are those reported in The Washington Post today.

The attached lists include the aforementioned additions and establish the total tabulation as follows:

Senator George S. McGovern	298.5
Senator Hubert Humphrey	214
Governor George C. Wallace	173
Senator Edmund S. Muskie	127.5
Others	37
Uncommitted	210
Total delegates selected	<u>1,060</u>

CONFIDENTIAL

5/5/72

FOOTNOTE KEY

1. Ten delegates at large to be chosen in caucus.
2. Forty-five delegates to be chosen later.
3. Eight additional delegates to be chosen by Primary winners.
4. Preliminary indication of results pending resolution of close races in several districts.
5. State law binds the 40 delegates from Congressional Districts for two ballots and the 9 at-large delegates for one ballot. There is speculation in the Press that McGovern and Humphrey backers in the delegation will not honor that commitment at the Convention.

HOW THE DEMOCRATIC DELEGATES ARE LINING UP

The latest Newsweek delegate count shows the relative strengths of George McGovern and Hubert Humphrey as they battle for the Democratic Presidential nomination. McGovern has already won more than 300 delegates. The Newsweek

survey gives him a projected total of more than 900 votes by the first ballot. A victory in California would put him within striking distance of the prize. Humphrey's projected total is 760—and a California win might tip the balance to him.

MEMORANDUM FOR: H. R. HALDEMAN
FROM: GORDON STRACHAN S
SUBJECT: Campaign Lists
in Illinois

Higby received a report that a leader of the President's campaign in Illinois was refusing to pay CRP personnel until they delivered precinct lists to him, allegedly for Don Rumsfeld's use.

Al Kaupinen, the CRP Regional Director for Illinois, examined the facts and reported the following:

- 1) Bill McConkey was the Director of Field Operations, whose name comes closest to the McGinty or McGooley who was mentioned to Higby;
- 2) McConkey has collected six of the 35 volunteer books in Illinois but has done so with Kaupinen's encouragement;
- 3) McConkey was hired from the RNC and is not directly tied to Rumsfeld;
- 4) The difficulty Malek is having in obtaining complete sets of volunteer lists from several states is being met by choosing one man who is seeking a job in the Second Term and requiring him to collect the lists. McConkey has been selected on this basis to collect some of the lists in Illinois;
- 5) All CRP personnel in Illinois have received their final paycheck, so the delivery of campaign lists to a particular individual is not a condition precedent to payment.
