FRICK, Miss Helen

914/BE 4-3621

Just because she, too, has been a friend through thick and thin -- and has really pushed hard on this campaign. As you know, she wanted very much to have you come into Pittsburgh - so you might just tell her (if we carry Pennsylvania) that you knew she and her people were doing such a good job that you didn't need to go in.

GRAHAM, Dr. Billy

He has been good on TV shows - and announced the other day that you were a good, religious man -- and that he had already cast his vote for you via absentee ballot.

HUGHES, General J. Don
Udorn, Thailand

If there is any way to get through to him in Udorn, Thailand

Mrs. Hughes 914/562-9381

If not, a call to Bette would be the thrill of her lifetime -- she is at Stewart Field in New York

KENDALL, Don (Bim)
(Boys - Donald and Kent)

914/253-2000 - office

Just to thank him for being such a loyal faithful friend and supporter over the years -- he has been a friend in the good years and lean years and has worked like mad during this campaign

LASKER, Bunny (new wife Chris)

Shoreham - Tuesday night

Thanks again for great job on dinner and all he has done over the years - both in and out of office. Both Pat and you are looking forward to meeting and getting to know Chris - congratulations

LEWIS, Hobart

914/RO 9-7000 - office
914/234-7583 - home

Have appreciated his support - particularly since 1964 - all the books they have put out, etc. Hope he will continue to be available for his wise counsel in the most important next four years

McGOVERN, Mrs. Gene (Mary)

516/RO 6-4341

Just to say again that you know good old Gene is with us in spirit tonight (remember he was being buried on November 6, 1968 and we did not have final returns in time for you to go out to the service. (for the amount of money he had - he gave far more than anyone and for this he had to have the support and backing of his wife

NIXON, Clara Jane and Don

714/645-4030 - home
714/456-6500 - office

Just to say hello - might say what a great job Ed has done

NIXON, Ed

Shoreham - Tuesday night
333-8513 - office

Will be at the Shoreham on Election night I believe - but thank him for the great job he did without having much help - great impression he made each place he went

POWELL, Miss Pam

Georgetown University Hospital

Although you called her a few days ago - if she is still in the hospital and unable to attend the Election Night festivities, I think a call would be very much in order

SEARS, John

223-9100 - office
356-0561 - home

He has continued to be helpful whenever he can - and he really worked his heart out in 1968 - he is still a most useful man - and very intelligent. Think it would mean a tremendous amount if you were to call him and say you have heard about the memoranda he has sent in, etc.

STANS, Kathleen
Walter Reed Hospital

I am sure Maury is on all other lists - but Kathleen has really been sick for the last few months and I think a call to her telling her how much you have appreciated what Maury has done - and know how difficult it has been for both of them, etc. - hope to see her soon.

MEMORANDUM

THE WHITE HOUSE
WASHINGTON

October 30, 1972
5:30 p.m.

MEMORANDUM FOR: H. R. HALDEMAN
VIA: DWIGHT L. CHAPIN
FROM: STEPHEN BULL
RE: Presidential Telephone Calls

Bill Timmons sent a recommendation that the President make telephone calls to State Managers and key State Senate candidates during the week of October 30 for the purpose of getting out the vote and endorsing selected candidates. I was subsequently informed that the President will make telephone calls.

The matter has been discussed with Chuck Colson and Bill Timmons and the following plan is offered:

There are three priorities:

- (a) The principal 13 key States.
- (b) Non-key States with Senate races.
- (c) Non-key States with Gubernatorial races.

In key States where there is a Senate race, the President would place a call to the Senate candidate where appropriate, e.g., he would call Griffin in Michigan but would not call Case in New Jersey--the call would be placed to the CREP Chairman. In cases where he calls a candidate, the call serves a dual purpose: endorse the candidate and get out the vote. Where there is no candidate it is just get out the vote.

In States where we are laying low on a Senate or Gubernatorial race, e.g., Blount in Alabama, the call goes to the CREP Chairman and is purely get out the vote.

The individual being called, particularly in the first priority (key States) would be advised in advance of the approximate time of the President's telephone call and the individual would be encouraged to have Press coverage of him receiving a call from the President. This would obviously serve to achieve the objective of the endorsement and/or get out the vote message. The Eastern States would be done before the Western.

Following is a breakdown of the States and specific individuals to be called:

There would be three brief texts prepared for the President's use, one that contains the message of get out the vote, one for a call to a CREP Chairman, and one for a call to a candidate.

Individual call sheets would be prepared that would contain the necessary information about the thrust of the call and refer the President to the appropriate talking points. *Make them very brief & non-repetitious.*

The talking points would be prepared by Ray Price, the Senate candidate calls by Timmons/Dent, and the CREP calls by MacGregor, with all of the aforementioned ultimately cleared through Chuck Colson. For those to receive a scheduled call, the individual to be contacted would be notified by the individual who prepared the briefing paper. I will prepare the schedule of calls.
