MEMORANDUM FOR BOB HALDEMAN

FROM THE PRESIDENT

I want you to follow through to see if we can get the editor from Maryland -- Schurz -- who was formerly on the San Francisco Examiner to come with us on some sort of basis during the campaign. Unless he turns out to be a nut I think he could be extremely effective. He has the ability that Klein lacked of really seeing how the press jobs us. One assignment you might give him is to check up on photo editors, the wire services primarily and less importantly of some of the major papers. He strongly believes that photo editors do us in more effectively than some of the managing editors. In any event, follow up and see if we can find a place for him, provided he is willing to come.
