Dear Taft:

As I explained to you regarding Sonny and Cher, timing was the way to handle these kids and it happened today. Sonny called me and I asked him point blank "who are you supporting?". He advised me President Nixon all the way.

I asked him if he would write a letter to President Nixon. He said he would and asked me to meet with him next week to plan the letter which I will do. I will have a copy sent to you.

Even though CBS has advised these kids not to get involved in politics, they will do great underground work in our behalf, as they are now strong for the Republican Party.

And remember, they were the first ones to give a party for McGovern, support him, and now want no part of him.

I feel there is going to be tremendous disenchantment among the young people all over the country, as I am getting great indications.

Will keep in touch.

Warmest regards.

Sincerely,
