THE WHITE HOUSE  
WASHINGTON

April 12, 1971

Dear Pat:

I am enclosing the names we looked at in San Clemente -- have broken them down to ones left on the list by you - questioned - and taken off.

I thought in this way you and Tricia could go over them and finalize those to stay on, etc.

Also I am attaching lists of the friends Tricia invited to various of her parties; the official family list; the children of the Cabinet (although I would doubt that they will be included unless they are really personal friends); and a few miscellaneous.

If I can be helpful -- please let me know.

Love,

Received March 29, 1971

Dear Miss Woods:

I should like to ask a favor -- three invitations to Tricia Nixon's wedding for my wife, Mrs. John M. Tufts, for me, Dr. John M. Tufts, and for my mother in law, Mrs. Richard Lynch. My wife is a second cousin of Miss Nixon sharing Patrick Ryan as a great grandfather. We had named our son Patrick to keep the name in the family. My Cousin, Dr. William Orville Mendenhall, then President of Whittier College, performed the marriage ceremony for President and Mrs. Nixon. Mrs. Lynch and Mrs. Nixon are first cousins. President Nixon was so kind as to invite us to his inauguration. We take great pride in having met him for a pleasant conversation. We also met Tricia and have a lovely snapshot of her. She is charming. We would be most honored to receive invitations to Tricia's wedding if it is possible to obtain them.

Sincerely,

s/John M. Tufts

From Jack Gleason -- to pass along to RMW

He had a request from Al Gordon, Sr. wondering if the First Lady intends to invite the Gordons to the wedding.

Jack said Gordon knows the Cox's, quite apart from the Nixons, and they would rather not be invited through the Cox's.

He said something about being somewhat instrumental in Julie going to Chapin and on to Smith since he is on the Board of Trustees.

Off the record he said that Cox just last month came to him because he is on the board of Trustees at Harvard -- he does not want this repeated but stated he would never do for his own son what he is attempting to do for Cox.
