Dear Crawford:

Many thanks for your letter and for informing me of my election to the Alumni Board of Directors. It is indeed an honor to have been chosen to be a member of the Board, and I will be delighted to serve in that capacity.

At this time it appears my schedule will permit me to be in attendance on November 6, and I shall look forward to receiving additional information regarding the scheduled meetings and events.

STAUNTON MILITARY ACADEMY ALUMNI ASSOCIATION

23 September 1971

Mr. John W. Dean, III
118 Princess Street
Alexandria, Virginia 22314

Dear John:

Some time ago I wrote to you inquiring about your interest in being a member of the Staunton Military Academy Alumni Board of Directors and received from you a favorable reply. In the meantime, you asked about the structure of the Association and the school's relationship to it in view of the peculiar nature of the operation of SMA. Three members of the Kable family still own the Academy and are on the Board of Directors. However, the Alumni Association is a body completely separate from the school in terms of operation, finances, and, probably, purpose. The Alumni Association has as its purpose the perpetuation of the Alma Mater and feels an urgency to become effective immediately because of today's attitudes towards military schools, military in general, and institutions that are not compatible with the well known permissiveness in today's society.

Our first Alumni Board of Directors was inaugurated and met June 26, 1970. It has met several times since then and will meet the last time November 5 in Staunton at the time of the National Reunion. The new Board, consisting of nine members, will be inaugurated and will meet some time during the same weekend after the business meeting Saturday, November 6. You have been elected on a proxy ballot by the Alumni to be a member of the new Board. We would like to hear from you at the earliest possible time regarding your reaction to this and whether you will be able to attend the reunion this year.

With very best wishes, I am

Sincerely yours,

W. Crawford Moon
Colonel, S.M.A.

Congratulations on your recent move to open your own law firm. I am confident you won't need it, but just for good measure - "good luck".

With best wishes for a successful future.

Dear Mr. Morris:

This is in response to your letter of March 14, 1972 requesting my opinion of Mr. William E. Casselman II and his integrity and fitness for admission to the bar of the U. S. District Court for the District of Columbia.

Over the past few years I have come to know Mr. Casselman quite well, and I find his integrity, legal abilities, and fitness for the practice of law to be beyond reproach. I therefore heartily recommend him for admission to the District of Columbia bar.

Sincerely,

John W. Dean, III

Dear Sir:

Our Conference has been asked to prepare the required character report on WILLIAM E. CASSELMAN, II, 30, a member of the bar of Virginia who is applying for admission to the bar of the U.S. District Court for the District of Columbia.

Mr. Casselman received the B.A. degree in 1963 from Claremont Men's College and the J.D. degree in 1968 from George Washington University Law Center. He was a White House staff assistant during 1969 and from 1969 to 1971 was deputy special assistant to the President in Washington, D.C. Since June 1971 he has been General Counsel with the General Services Administration in Washington, D.C.

As Mr. Casselman has given your name as a reference, we wish to have your frank opinion of his integrity, legal ability, and fitness for the practice of law.

Thank you for your assistance.

Sincerely,

William H. Morris
Director
