Dear John:

Here I am again after a few months of silence. All the reports in the papers seem to indicate that you will run against our "little Cesar", Warren Magnuson. More power to you, for it is about time that someone do this. He seems to think that he just cannot be beat.

Lets show him once and for all that we are all fed up with antics. I really think when he so swiftly changed from Jackson to McGovern, he lost a lot of support around the State.

Please let me add my name and many more in my circle of friends, to urge you to run for Senator against Magnuson.

If there is anything I can do to help, please feel free to call on me.

With best regards,

Sincerely yours,

Fred Kane
