Dear Dick,

RW

You will find enclosed some
pictures taken at Fullerton Union
High School during the school
year of 1927-28. I have hesitated
contacting you during the inter-
vening years because you were
so busy. I guess you'll always
be busy so I'm sending the pictures
in the hope that they make take
you back to happier times.

Your friend,

Howard Livingston

Dear Howard:

It was good to hear from you, and I want you to know how much I appreciate the friendship which prompted you to write as you did on March 29. The snapshots you enclosed brought back many happy memories of those early days at Fullerton Union High School -- quite a few things have changed in the intervening years, including my curly hair!

As you can imagine, I have received similar photos and mementos over the years, and one of these days I hope to put them all into an album. In any event, I just want to tell you of my gratitude for your kindness in writing and letting me relive a few moments of my boyhood through these pictures.

With kind personal regards,

Sincerely,

Mr. Howard Livingston
