October 20, 1968

Dear Madame Chiang:

We want you to know how much we appreciate the good wishes which you and the President sent to us in your letter which was delivered while we were in New York over the last weekend.

Mrs. Nixon is deeply grateful for the beautiful "good luck" pin which you enclosed for her. You may be sure she will wear it with pride throughout the campaign and after the election as well.

With kindest regards,

Sincerely,

Madame Chiang Kai-Shek
