RE: Presentations at Detroit reception

The Polish presentation will be a resolution passed by a group of Polish and other ethnic leaders in Detroit which will be written out and ornamented for a presentation to the Vice-President. This will be done by the editor and publisher of the Polish Daily News, a group of Polish clergymen and some other ethnic leaders.

The Negro presentation will be made by Miss Bernice Edwards, Secretary of the Republican Committee of Detroit. She is also a member of the Board of Catholic Inter-Racial Council - Detroit Chapter. This Council has an award for service to God and Country which will be presented to the Vice-President. It is a statuette. The name of the award is the Blessed Martin Award. Martin will apparently be the first Negro saint, assuming that he is sainted.

TO: Bob Finch

FROM: Bob Haldeman

I have made an appointment for you in Detroit at the Statler Hotel at 5:00 Monday afternoon with Mr. James McEvoy, Jr.

Mr. McEvoy is the Finance Chairman for Michigan and he has a problem. One of his top contributors is on his back trying to get him to work out an arrangement for a friend of his to do some survey work. Mr. McEvoy has requested an appointment with you to discuss this. He will not be bringing the other fellow along.

Mr. McEvoy will check earlier in the day to confirm this appointment.

RE: R.N. trip to Michigan, February 15

During the course of attending the meeting of the Michigan State Central Committee in Lansing on January 22-23, I met all the news- men covering it. Al Kaufman, Detroit Times, C/o House Press Room, State Capitol, Lansing, asked about advanced info on itinerary. I told him the trip would be "advanced" about a week before the 15th and that itinerary info would be made available within a day or two thereafter. Will Muller, Detroit Times state political writer, and a close friend of Squire Behrens of the San Francisco Chronicle, said he (Muller) had been assigned to cover the Wis- consin and Oregon primaries for the Times. I gave him the name of Freeman Holmer, Director of Finance for Oregon and former Director of the Oregon Board of Elections, as one of the most knowledgable men in the areas of the new Oregon primary laws, Oregon election history, the state's politics, and its finances.

Dear Mr. Crow:

I want to thank you very much for your kind words regarding my work and that of the rest of our staff in connection with arrangements for the Vice President's appearances in Detroit last week.

Also, we certainly appreciate your promptness and thoroughness in sending on to us the lists of those who contributed most substantially to the arrangements for your luncheon.

We all certainly enjoyed the day in Detroit and felt it was a most profitable one. We greatly appreciated your hospitality and assistance. I trust we will have the opportunity to work together in the future.

Sincerely,
