Dear John:

The piece of paper enclosed with your October 24th letter was most gratefully received, badly needed, and I can assure you will be put to fast and effective use these few remaining days of the campaign.

We too were sorry things did not fall, and the leave of absence could not be arranged.

Somehow, despite the hurdles, the hurriers, and the harried, we are living out this last week in high spirits with sure knowledge we're 7 days away from victory.

Many thanks, John, for your substantial help.

Dear Bob and Jo:

Not being a part of your campaign disturbs me greatly. Cliff Folger and I did everything possible to arrange a leave of absence, but we failed. Put this contribution to any use you see fit, Bob, to further R. N.'s cause; and most important, don't stop to acknowledge this gift--keep charging.

Tell John Erlichman that on the eve of trial, I settled Mr. Thompson's caveat for 50% of the net estate. I shall write him further regarding the details.

Good luck!

Sincerely,

John W. Warner

Enclosed is another check that I collected this morning. Mr. Sidney Stern is the contributor. He is President of the Fireside Thrift and Industrial Loan Company in Redwood City and wanted us to know how much he supported Nixon and the cause of good government generally. I am glad to see he is backing up his beliefs more than most people. I assume that your letter will go out to him shortly.

Dear Cap:

Just a brief note to acknowledge your October 23rd letter.

Many thanks for sending along the check for \$250.00 from Mr. and Mrs. Robert Cohn. This will be put through for processing and acknowledgment immediately.

I have referred the two individuals who want to help to John Kaimbach who will contact them and try to get them active during these last few days.

I'm afraid the Los Angeles College visit is out of the question. The schedule is full, and then some. Nonetheless, we appreciate Mr. Reese's suggestion.

Many thanks and best regards.

Dear Bob:

Enclosed is a check from Mr. and Mrs. Robert Cohn for the Nixon Committee in the amount of \$250.

Mr. Cohn (he calls himself "Bobby") has been active in something called the "Western Outdoor Shows", a group that puts on carnivals, etc. at various Fairs. He reported that he was unable to collect anything from his group for the Nixon campaign fund and therefore decided to contribute something himself. He is Chairman for Christopher in Daly City and is also a strong supporter of Nixon. (This is not the check about which I called you earlier yesterday!)

Following are the names of two people who are anxious to work for Mr. Nixon. They told me following the debate at the Los Angeles Times:

Ray Sprigg                      Mrs. Sophie B. Webb  
2874 Nichols Canyon Road    4420 Los Feliz Blvd.  
Hollywood 46  
OL 6-5333

In addition, a Mr. Reese recommended strongly that Nixon try to speak at the Los Angeles State College. Reese is all for Nixon and says Brown made a very bad impression when he spoke at the College.

With kind personal regards,

Sincerely yours,

Dear Mrs Wright:

We are most anxious to obtain verification of the following proposal attributed to the CDC:

"Foreign aid to countries with Communist governments."

Miss Baxter has mentioned that Mr. Nixon very kindly suggested the addition of this proposal as one of a group of left-wing stands advocated by the CDC. These proposals in turn, as you know, are listed in the Poll now being circulated throughout the State to members of the Democratic Party. It appears that Mr. Nixon offered this suggestion at a recent meeting held at his home.

It would be immensely helpful if you could find the opportunity to wire us the necessary substantiation for this proposal, at your earliest possible convenience. We are receiving many inquiries from the press on this one stand and would like to be in a position to be helpful to those involved with this program.

With sincere thanks for your prompt assistance.

Dear John:

If we had more nickel and dime boys like you, our troubles would be over.

Thanks very much for your October 8th letter with its enclosures - most gratefully received.

I'm sure the Coke Prentice types won't phase you -- at least, I hope they won't. There are enough years left that we can always "change our image", and we'll both probably have to do just that - eventually. Right now, we have an election to win.

Many thanks, John. Chin-wise, keep it up. Money-wise, keep it rolling.

Don't count on a fortune, I'm afraid I'm just a nickel and dime boy. Checks from Bob McCune and Jack McKenzie for \$10.00 each and Pat Endress for \$5.00 should be on the way. Dale Grubb told me he had already sent his check to Rose. I asked Coke Prentice for a contribution and got an icy reply - "I'm already owed \$2,000.00 from the 1960 campaign." Oh well, I don't mind taking a few on the jaw for the cause.

BOB HALDEMAN

August 28, 1962

From: Grassmuck

To: Don Frey, Haldeman

Last night I saw H. R. (Ray) Wyllie in Long Beach. He knows much about Sacramento government, as his attached material shows.

He is now ready to work for RN, and agrees with me, I believe, that his services as an investigator and gatherer of information would be of great value. If handled properly, I believe his work would do us considerable good, particularly in the gathering of anti-Brown and anti-Sacramento information.

Wyllie would like to have his expenses paid, but is willing to give his time and services.

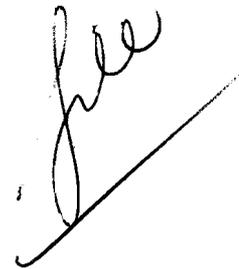

He wants to talk to Frey, whom I told him he should see, and Haldeman just briefly.

I think this is a "go" situation. The possible uses of Wyllie, which I mentioned to him as possibilities, include these:

1. General investigation as needed of Brown, his family, and other matters.
2. Investigation of other administration activities and members.
3. Working with Victor Lasky, who is rumored to be coming out, and others in an anti-Brown operation.
4. Working with Jerry Reynolds in digging out materials for use by our second line.
5. Preceding the telethon by ten days or so. Going into each town and digging up anti-Administration matters which can be publicized just before the telethon and so stir up interest as well as provoke anti-Brown questions.

Wyllie will plan to drop in on Frey within the next day or two. He hopes then to do a drop-by with HRH then too.

Dear Mr. Houtz:

This is the first opportunity I have had to thank you and the membership of the West Los Angeles Republican Club for your heartwarming message of congratulations following the primary election.

The prospects are that the campaign this fall will be the hardest fought in California's history. Consequently, it is particularly gratifying to know that we can count on your wholehearted cooperation and support of your fine Club in our unified, intensive drive for victory in November. My campaign staff and I look forward to working closely with all of you in just that kind of an all-out effort.

on May 4th -- Wyllie states condition for its ~~XXXXXXXX~~ use, namely - he wants to talk with RN in person or on the telephone -- not so much about the material, but simply to establish personal contact.

Carter Barber's note is to the effect the Wyllie feels he has gotten the brush-off in the past -- from RHF -- and Flournoy.

Dear Pat:

RN had a session with Robert Wright, Republican candidate, 65th Assembly District, while we were in Sacramento over the weekend. Wright's card and literature are attached.

While it is highly unlikely this man will have much success against Unruh, it is also obvious that anything he can do to keep Unruh busy in the District will to ours and the Party's advantage.

RN told Wright he would see what could be done to get him the necessary financial assistance and campaign advice that he needs in order to get his campaign under way.

We cannot, of course, divert funds or manpower for this, but anything we can do to get others to give Wright some help would be worthwhile. I assume this falls in your bailiwick as Republican Party liaison.

Dear George:

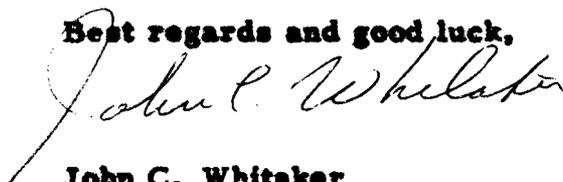

As promised during our recent telephone conversation I'm enclosing a suggested "advance man" procedure set-up for State-wide campaigning which may be useful to Jim Van Zandt, Bill Scranton and other state-wide candidates.

The materials enclosed are essentially boiled down from the advance man procedure used in the 1960 campaign. I know Dick Nixon is glad to turn this material over to you and be helpful in any way he can to contribute to the GOP's success in Pennsylvania.

I've retained much of the original material, not in an effort to overwhelm you with detail but merely to point out the numerous specific arrangements possible, realizing you can discard or modify these procedures to local conditions. As a very minimum, George, I do suggest you need a full time man to coordinate the schedule and instruct a local contact man by phone as to the specific details with particular emphasis on crowd raising techniques. After all, if everything else goes wrong and you have a good crowd, the day is saved.

During early July I'll probably be on a business trip to Brazil but I'll try to make myself available after that trip here in Washington (FE 8-6688) or at my home in Baltimore (DR 7-8795) if I can be of further assistance.
